**Caliterra**  
**Cenit 2006**  
**Colchagua Valley**

This wine hints at an intriguing meatiness behind a wall of black fruit. A blend of cabernet sauvignon (53 percent) with malbec (27) and petit verdot (20), its flavors of fig and chestnut feel luscious and grand. It has the stuffing to evolve well. For the cellar.

**Tributo Edición Limitada**  
**Shiraz Cabernet Sauvignon Viognier**  
**2006**  
**Colchagua Valley**

Warm aromas contrast with fresh floral scents that bring out viognier's contribution in this blend. Potent black fruit flavors of figs and blackberries dominate the wine's middle, placing it with braised oxtail.

**Caliterra  
Tributo Edición Limitada  
Carménère Malbec 2008  
Colchagua Valley**

This sweet and friendly blend charms in its aromas of violets, even as it tightens up a bit around its chocolate tannins. Pair it with prime rib to balance it out.

**Caliterra  
Tributo Chardonnay 2006  
Casablanca Valley**

Simple and juicy, with ripe aromas of pineapple and banana, this chardonnay will accompany grilled fish.

**Caliterra  
Reserva Chardonnay 2007  
Curicó Valley**

Just a bit spicy, with a touch of ripe pineapple over a light, soft texture, this will match sautéed scallops.
